

COVID 19 – Update 11 – 23.03.20

Dear Marist Community

No doubt many of you would have already heard the Prime Minister's latest press announcement. Our current status is that Marist School remains closed.

From midnight on Wednesday 25th March the Prime Minister has raised NZ's alert level to 4. This means that all schools will close & remain closed until further notice from the Government. As well as this, all New Zealanders, will now self-isolate.

We will continue as a staff over the next 2 days to finalise the details of our Home Learning resources. We will be in touch with those who have not responded to our Digital Technology questions as to home/school capabilities.

We await a more detailed Ministry Update & will share it with you all when we receive it. We will update you at 12noon tomorrow.

*Warm wishes,
Carolynn*

Mrs Carolynn Phillips
Principal
Marist Primary School
