

COVID 19 – Update 6 – 18.03.20

Dear Parents/Caregivers,

The Prime Minister has announced and asked that anyone who has returned from overseas in the last few weeks, regardless of if it was prior to the lockdown of NZ borders to self-isolate for 14 days.

If you have a family member in your household in this position, you do NOT need to self-isolate, UNLESS you exhibit any symptoms.

Please adhere to this request to protect everyone.

We will provide a fuller Ministry Update tomorrow.
