

**Covid 19 – Update 10 – 22.03.20**

Dear Parents and Caregivers,

We have just been informed that Marist College is closing down because of a positive case of COVID-19. Due to the familial links between the College and ourselves, and interactions with Marist College staff and students this past week we have made the difficult decision to close Marist School. **This will take effect immediately.** At this stage we will remain closed for a minimum of 72 hours as we are currently unsure as to how wide ranging the contact testing will be.

If you can not act on this decision on Monday, or if you are an essential worker such as Health/Emergency Professional, Transport/Delivery Personnel, Supermarket or Food Production Worker there will be a skeleton staff at school to care for your children. We continue to follow the guidelines from the Ministry of Health and Ministry of Education.

Staff will be meeting on Monday to organise information for you around your child's continued learning.

Keep safe, keep calm and look after each other.

Warm wishes,  
Carolynn & Cath

Mrs Carolynn Phillips
