

Marist School Community Update – 30.08.21

Morena Marist whanau,

As we enter another week in lockdown we are mindful of the fact that a range of mixed emotions course through our veins. Those of sadness, anxiety and exhaustion battle with gratitude, thankfulness and faithfulness as we continue our lockdown journey.

Please remember that it is normal to feel a range of emotions on any given day. The weather also affects our moods and there is nothing quite like that vitamin D we receive from the sun, but let us be thankful for the rain that waters our earth and nurtures our plants. Get outside and walk in both- God's creation needs to be experienced in all weathers.

“Today is a gift and a blessing from God, smile and enjoy it.”

As always remember to reach out if you need anything at all. We are a community! I offer this blessing for all of you today.

Make a great day everyone!

Warm wishes,
Carolynn
