

## Marist School Community Update - 13.09.21

**A morning is a  
wonderful blessing,  
either cloudy or sunny.  
It stands for hope,  
giving us another start  
of what we call life.**

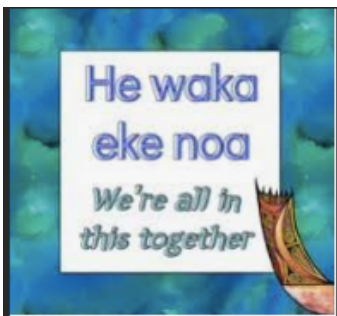

Morena Marist whanau,

Another Monday morning where we are called to count our blessings, which is not that easy to do as we slip into another lockdown week. Yet as this quote says each new day 'stands for hope'. As Christian people we are people of hope and even though 'life' is rather different at the moment we are reminded to try to find the joy in every day.

We hope that we will soon be able to gather again but realistically this may not be until Term 4. We hope that the covid numbers go down and the 'mystery' sources are found so that we can move confidently into Level 3.

Today at 3pm the Prime Minister will make an announcement and once we have any further information from the Ministry of Education I will be in touch.

Please reach out if you need anything, no matter how small. As these lockdowns extend, your needs may have changed. We are here to help.

My attempt at using what I have at home! All House colours!

Noho ora kia ora,  
(Stay safe, stay well)

*Ma te Atua e manaaki (God Bless)*  
Carolynn

Mrs Carolynn Phillips  
Principal
