

Marist School Community Update - 30.09.21

Mōrena Marist whānau,

The end of a challenging Term 3 draws to a close at the end of today. We have had more time at home than at school this term and we pray for being able to be together once again in Term 4. School is a very, very, very different place without the sounds of children's laughter--it's not much fun!! I just wanted to say a huge thank you to all of you as you have juggled Home Learning and your own work commitments and whānau needs. This lockdown due to the length of it has left us all very weary. You have made it possible for our teachers to continue to teach and your children to continue to learn. The affirming staff appreciation messages, videos and cards have been so heartening and I know you agree, so very much deserved. Home, School & Parish have connected in so many ways and I am grateful for every member of our Marist community. Thank you for who you are and what you bring as Marist.

I will be in touch in the second week of the holidays with information about the Alert Level for the start of Term 4.

In the meantime I hope you can find some time to stop, breathe and just be.

"Can you hear the wind in the trees, Tiny Dragon?"

That's nature's way of telling us to take a moment
to stop, breathe and just be."

*Nga manaakitanga katoa a te Atua
All God's Blessings*
