

Marist School Community Update - 05.11.21

Mōrena Marist whānau,

No doubt like me you are happy that it is Friday!!! Though in saying that, the weekends can be much of the same but without schooling. It is important that we remind ourselves of what we are grateful for. Take a moment to make a list of 5 things you are grateful for right now!

A heads up for next **Friday 12th November** we will be having a **Device Free Day**. Staff will not be available online at all. It is up to you whether your child/ren continue with their school work, or Pick & Mix activities etc but I strongly recommend a device free day for them.

As always as Ministry information comes to hand I will share it with you. We hope to hear some education news early next week. We will then get a survey out to you all to ascertain what a possible return to school could look like and your preferences.

Please reach out if you need any assistance in any way.
